2. The return prescribed in G.M., P.W.D., No. 2659, dated the 29-8-1922 and 22-7-1925, was being submitted monthly in 1922, quarterly in 1925 and it is now being submitted annually since 1932, vide G.R., No. 5400/27, dt. the 21-7-32. The main idea in calling for this return from the local officers was to check the increase in the cost of estabt. as the S.Es., etc., were empowered in the matter of sanctioning tempy. estabt. At present almost all tempy. estabt. is being sanctioned by Govt. and it is seldom if ever that the S.Es. have made apptts. to posts which were not sanctioned or approved by Govt. No useful purpose is, therefore, served by this return.

3. On going through the reports recd. uptill now from the local officers it is noticed that all of them, except the El. commr. with the G.of B., have submitted the return showing all new appts. made by them in the sanctioned posts. The returns submitted by these officers are not in accordance with the prescribed procedure.

4. It is, therefore, for orders whether the return may be discontinued or modified.

Id/-

The return may be discontinued

Id/- 23/11/49

I agree.
Id/- 4/11/49

Id/-
The return may be discontinued since all apptts are being sanctioned by Govt.
